    class moetsi_ssp_KinectReader["moetsi::ssp::KinectReader"]
    class moetsi_ssp_IReader["moetsi::ssp::IReader"]
    moetsi_ssp_KinectReader --|> moetsi_ssp_IReader
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'moetsi::ssp::KinectReader'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'moetsi::ssp::IReader'. This indicates that 'moetsi::ssp::KinectReader' inherits from or implements 'moetsi::ssp::IReader'.
